Main DDK symbols:

- __at_enter() mandatory
- __at_exit() mandatory
- __at_probe() mandatory
- __at_disable() optional
- __at_enable() optional
- __at_recovery() optional

DDK driver status struct:

```
struct DDK_STATUS_STRUCT
{
        int32_t action_id;
        int32_t issuer_id;
        int32_t group_id;
};
```
